MASSIMO PLATINUM VASE

\$800

DESCRIPTION

A stunning object of functional decor, this elegant vase is entirely handcrafted of ceramic. Evoking the majesty of classic Italian architecture, the vase is composed of two elongated arches to create a portico silhouette, the top marked by three openings ideal for showcasing seasonal floral arrangements. The ceramic's white hue is superbly adorned with details in platinum to add a luxurious touch that will make this centerpiece shine on a modern table or classic console. Exquisite craftsmanship and timeless design make this piece a refined addition to any decor.
