MAT4+ WRITING TOOL IN PADAUK

\$95

DESCRIPTION

Stored in an elegant triangular box in cardboard, this exquisite writing tool was defined "the 2.0 writing system". The support is crafted by hand in padauk with an exquisite cedar scent. The pen can become six different tools: pressurized ballpoint pen, graphite and colored pencil, and a highlighter. Upon request, the Touch&Brush tool is the first touch pen that allows also the painting effect on touch screens. The colors of the 5.6 mm refills might be different from the picture - please ask the Concierge for details. Either as stunning gift or as precious addition to a contemporary office, this pen is both striking and highly functional.
