MATHIEU BOTTLE RACK

\$26,305

DESCRIPTION

This exquisite bottle rack is a mesmerizing addition to sophisticated, neutral-toned interior decors. The black-lacquered wooden frame is composed of two horizontal compartments with doors upholstered with braided leather, ten side open compartments designed to host bottles of wine for special occasions, and four central open sections. All the edges defining the several elements are enhanced by golden-finished metal details adding visual brightness to the whole piece.
