MATRIX COFFEE TABLE

\$7,740

DESCRIPTION

Reminiscent of cubist sculpture, this remarkable coffee table will make a spectacular focal point in any living room or lounge decor, infusing character and a modern edge to any interior. Its captivating silhouette consists of a large square top made of glass and a metal grid base, both finished in antique bronze color. The luminous effect of the glass enhances the graphic look of the geometric shapes created by the intersecting lines. Modern and chic, this table offers an elegant surface to display books, vases, and prized centerpieces.
