MAXIM WHITE 3-SEAT SOFA

\$9,350

DESCRIPTION

Comfort and elegance coexist in this stunning three-seat sofa, equally eye-catching in an indoor living room, patio, or garden. A precious piece to lounge and entertain al fresco, this large sofa features a white upholstery in Batyline, a combination of polyester fibers and PVC cover that is UV-resistant and waterproof. This elegant white accent strikingly complements the teak of the structure, protected by an outdoor-friendly varnish, and stainless steel details with an electrolytic finish that makes them smooth and avoids oxidation. For a different cover, please ask the Concierge.
