DESCRIPTION

This elegant armchair, part of the Maxim Collection, combines natural and new materials for a stunning look that is functional and durable when used outdoors. Equally stunning in an eclectic indoor living room, this piece will be a precious addition to a patio or garden. Its teak structure is treated with an outdoor-safe varnish while its stainless steel components have an electrolytic finish that makes them smooth to avoid oxidation. The comfortable cushions are upholstered in Batyline, a mix of polyester fiber and PVC cover that is resistant to UV rays and wear and tear.
