MAXIM WHITE POUF

\$1,690

DESCRIPTION

Part of the Maxim collection, this white pouf is a perfect addition to a chair or sofa as comfortable foot rest or as extra seat that can be easily folded and stored. Its structure in teak, with a protective treatment that makes it suitable for outdoor use, is assembled with joints and its foldable system is patented by Braid. All the metal components are in stainless steel with an electrolytic finish that prevents oxidation. The white cover of the top is in Batyline, a new material made of polyester fiber and covered with PVC, which is UV rays-resistant and very durable.
