## MAXIMA BD 96 CHEST OF DRAWERS

\$12,840

### DESCRIPTION

Part of the Maxima Collection, this stunning chest of drawers is a superb object of functional decor. The distinctive element of this piece is the carved front, featuring an abstract series of cuts with a Liquid Metal finish in light bronze. The metal structure features two external drawers and two internal ones. This unique piece is best combined with others from the same series and is also available in different measurements. Exuding sophistication and timeless elegance luxury, this piece is both suitable for bedroom or living rooms.
