MCH4 CARPET BY M. C. HAMEL - POST DESIGN

DESCRIPTION

This exquisite carpet is entirely handmade in Nepal by master artisans that follow ancient Tibetan traditions and craft the wool on every step of production: sheering it, combing it, spinning it, dyeing it, knotting it with cotton, and then finishing it entirely by hand. This wool is one of the finest in the world, thanks to the high altitude at which the animals graze freely. The result is a one-of-a-kind modern carpet, part of a 36-piece series that will enhance the look of a modern home. Handmade by craftsmen in Uma technique. Life's Commodities 2004 Collection.
