MEDICI TABLE

\$5,690

DESCRIPTION

Named after the beloved park rich in greenery and art overlooking the city of Florence, this magnificent table is inspired by Renaissance elegance and exudes classic sophistication. It will be a superb addition to a spacious entryway, or traditional dining room, creating a splendid decoration with its round crystal top that provides an elegant surface allowing a perfect view of the striking wrought iron base with five elongated leaves curling upwards. Spherical brass details mark feet and top of this sublime design.
