Pierfrancesco Solimene

MEDITERRANEO FRUTTA ROUND PLATE LEMON

\$65

DESCRIPTION

Distinguished for its warm hues and subtle detailing, this exquisite ceramic plate evokes the inviting smells and colors of fresh summer lemons. This white ceramic plate is enlivened by the lemon design complete with subtle accents in orange, and canary-yellow that create a sense of depth and texture. Designed by Sovrappensiero Design Studio for all decors and occasions, this plate will be a timeless addition to any table thanks to the effortless mix of traditional artisanal techniques and modern sensibility.
