MEDIUM LIPS CHAIR

\$3,930

## DESCRIPTION

This striking chair is supported by a structure in stainless steel made up of a single swivel leg resting on a square base with thermoplastic non-slip material. The chair takes its name from the unique shape of its curved plywood, reminiscent of an open mouth. The outside of the structure is adorned with a veneer in zebrawood coated with a protective treatment, while the inside is cushioned with polyurethane upholstered with a non-removable black leather cover.
