MULTI-COLORED MEDUSA MOUTH BLOWN MONOLITH

\$1,920

DESCRIPTION

Entirely made by hand using mouth-blown Murano glass, this piece is a rectangular decorative object that will make an arresting statement anywhere it is placed in the house. The variety of patterns and colors adorning this block of Murano glass are achieved by the use of inserts of pastel glass, pure gold, silver, and "zanfirico" a type of colorful glass typical exclusively of Murano that has a distinctive spiral pattern.
