## MEGREZ FLOOR LAMP

\$1,950

### DESCRIPTION

This striking floor lamp is entirely made in metal and features a cylindrical base finished with a black varnish resting on a round chromed support. From the base, three chrome-finished metal shafts sprout like modern stems of flowers and curve at the top attached to the shades, painted in the same black finish of the base. Contemporary sophistication exudes from this piece that will be an elegant addition to any modern décor.
