MELANZANA SCULPTURE

\$780

DESCRIPTION

Crafted from start to finish entirely by hand, this striking sculpture of an Italian eggplant is distinguished for its originality, subtle details, and powerful decorative impact. Symbol of luck and boundless success, this iconic vegetable of the Mediterranean is rendered in life-like detail: the shapely body, the deep purple glaze of the eggplant, and textured green color on the stem. A must-have statement piece, this sculpture will enliven any decor with its playful character.
