MELORIA SPHERICAL TURQUOISE CANDLE

\$130

DESCRIPTION

The fresh character of this candle results from its glossy monochromatic look, obtained by dipping its spherical body in bright turquoise lacquer. Its minimalist flair will make a precious decorative statement even when not in use, while when the wick burns - for up to a maximum of 100 hours - the candle channels a sense of warmth that favors relaxation. Multiple color variants are available, please consult the Concierge or check the Artemest catalog.
