Giovanna La Falce

MERCURY DECORATIVE PLATE

\$420

DESCRIPTION

Clay plate entirely made and painted by hand by Giovanna La Falce. It is a unique piece that can still be reproduced in a similar way but never identical. Being hand-molded, a specimen can never be identical to another; in its uniqueness resides its value and its beauty. The product can be replicated in sizes and shapes different from the original and it can be created in all desired colours.
