**METAL FLOOR LAMP**

\$8,400

## DESCRIPTION

A captivating use of linear forms, this superb floor lamp will deliver classic sophistication to any modern interior decor. Marked by a bold angular silhouette crafted of metal with a brushed-copper finish, this lamp stands on a round base and features a cylindrical stem with a movable arm supporting a cylindrical metal shade. A round table in eucalyptus-veneered wood adds a functional element to this industrial-inspired lamp that will be a statement piece over a desk or loveseat in a living room or private study.
