METAL VENETIAN GLASS CHANDELIER

\$14,760

DESCRIPTION

The sophisticated design of this superb chandelier mixes traditional shapes and a contemporary attitude, making it a timeless object of functional decor that will enliven any home. The white Venetian mouth-blown glass forms the curved arms of the 18 lights and strikingly contrasts with the smoothness of the silver-finished metal detailing. An included 50 cm steel cable and metal cup attach the piece to the ceiling. The lightbulbs are 18 E12 x 5W LED + three GU10 x 10W LED.
