METOPA SMALL SCULPTURE BY ALESSANDRO MENDINI

\$1,610

DESCRIPTION

A colorful addition to any room, this ceramic decorative sculpture will be particularly suitable for a contemporary decor and can be displayed alone or with others from the same collection of 12 columns designed by Alessandro Mendini. This piece comes signed and numbered, as part of a limited 50-item series and its colorful smooth surface and the graceful combination of different curved elements will enrich a contemporary decor with playful charm.
