METROPOLITAN ENVELOPING ARMCHAIR IN GOLD

\$2,710

DESCRIPTION

This stunning armchair part of the Metropolitan collection is a unique and sophisticated addition to a modern garden, pool area or patio, particularly if combined with other refined items in the same series. The frame in epoxy powder-coated aluminum has a gold finish (also available in ice or taupe). The standout feature of this piece is its enveloping legs that also form the structure for the backrest, lined with vertical black polyester belts. The cushions are upholstered with outdoor fabric in white. Other hues are available, please ask the Concierge for options.
