MIA LOW VASE IN BORDEAUX

\$450

DESCRIPTION

Marked by a contrast between soft and rigid lines and matte and glossy finishes, this low vase of the Mia Collection designed by Serena Confalonieri is a stunning piece of functional decor that will stand out in any interior for its refined elegance and architectural flair. Crafted entirely of iron, the base features a rounded shape in a deep burgundy color while the industrial-inspired top is a perforated sheet with a squared decoration. Used as a centerpiece on a coffee table or console, this vase will captivate for its unconventional elegance.
