MICENE SIDEBOARD BY FERDINANDO MECCANI

\$21,960

DESCRIPTION

This imposing sideboard features eight doors opening onto eight internal shelves. A striking piece of functional decor, it will make a statement in any room and with any type of furnishing, thanks to its exquisite craftsmanship and the geometric front that is a tribute to the great architect and designer C.R. Mackintosh. The wood is Italian walnut, but it can also be American dark walnut, cherry wood, maple wood, durmast oak wood or durmast with a wenge finish. Designed in 1978.
