Coralla Maiuri

MICHELANGELO CHARGER

\$375

DESCRIPTION

Part of the Michelangelo collection of porcelain dinnerware, this charger combines the earthy and physical expressiveness of the Renaissance master with the contemporary sensibility of artist Coralla Maiuri to create an eclectic work of art that will make an elegant statement in a modern home. The pale green background of the piece is enriched with a pink central spot and dotted with dark green accents. The irregular gold leaf rim creates a dynamic effect, evocative of the sculptor's unfinished work.
