MICHELANGELO MIRROR

\$2,520

DESCRIPTION

Breathtaking in its simplicity, this large Venetian style mirror is crafted of wood and showcases a hand painted decoration of white flowers in a contoured, orange frame that stand out on a soft sky-blue background. A truly unique and elegant piece, the antiqued finish evokes the original charm of 18th century styles while maintaining a modern look. This interesting combination makes a great statement in an entryway, living room or bedroom. Size, color and motif can be personalized upon request and the mirror can be offered also in antiqued finish.
