MICHELANGELO OVAL PLATE

\$485

DESCRIPTION

Part of the Michelangelo collection, first introduced at Milan Design Week 2018, this oval plate is a stunning addition to an eclectic or modern home, where it can be showcased alone as a striking centerpiece or used to serve food during dinners, accompanied with the other items in the same series. Its elegant shape was crafted of porcelain and entirely made and decorated by hand. An elegant gold leaf-adorned rim adds a warm glow to the piece, while its pale green background is dotted with yellow, dark green and brown spots.
