MICHELANGELO SET OF 2 DESSERT PLATES

\$505

DESCRIPTION

Named after the master of the Italian Renaissance, this captivating set of two dessert plates in fine porcelain was freely hand-decorated with prized gold leaf accents. The plates' rims are accented with 24K gold leaf, its shimmering power veiled by the presence of spots in dark hues paired with softly sprinkled blotches in yellow, gold, and green adorning the pale-turquoise backdrop. Slight differences from the pictured item are to be expected and cherished.
