MICHELANGELO SET OF 2 SOUP PLATES

\$550

### DESCRIPTION

The signature earthy dynamism characterizing Michelangelo's artworks, both finished and unfinished, was borrowed by Coralla Maiuri and reinterpreted in a modern key to craft this set of two soup plates. Fashioned of fine porcelain, the plates feature a background that is hand-painted in green dabs and luxurious golden specks (24K gold leaf) all over the rim. Not microwave safe.
