MICHELANGELO TUREEN

\$530

### DESCRIPTION

The delicate decoration that graces this stunning tureen is inspired by the earthy elegance and dynamic energy of Michelangelo's work. Part of a collection named after the Renaissance master and first introduced at Milan Design Week 2018, this piece was crafted by hand of porcelain and features a voluptuous body and flat lid with textured handle. Both elements boast a white background, that takes a pale green coloration toward the top and lid, sparsely dotted with gold leaf spots. The same precious finish covers the handle for a stunning final effect.
