## MICHELLE AZURE ARMCHAIR

\$7,160

### DESCRIPTION

Marked by a sleek silhouette and bold upholstery, this armchair will add a touch of classic glamour to a traditional living room or private study decor. The sinuous lines of the Bergere-inspired frame, evident in the sloping arms, are upholstered in a delicate azure fabric for a timeless look. Four tapered wooden feet in a dark brown finish elegantly support the piece. The vertical pleats along the inside of the armchair and diamond-shaped stitching on the exterior panels are superb details that enhance the piece's warm and enveloping design.
