MIDDLE HORN GLOSS MINI BAG

\$750

DESCRIPTION

This elegant mini bag can easily go from day to night thanks to its adjustable leather strap which can be removed. The entire piece was crafted by hand in exquisite leather with a high-gloss finish and the top of the bag was adorned with a metal horn-shaped handle that was 3D printed and then gold plated after being hand burnished. The surprisingly spacious interior can hold an iPhone 7 along with other small items. High-quality Italian craftsmanship inspired this piece that was achieved through a combination of traditional and innovative techniques.
