MIGRATION AQUILA RUG BY FORMAFANTASMA

\$32,210

## DESCRIPTION

Part of a limited edition of five pieces designed by FormaFantasma in 2011, this exceptional rug depicts an eagle in flight with impressive realism and detail. The sense of movement is expressed in the downward facing angle of the bird and its impressive outstretched wings, resulting in a captivating composition. Entirely hand-knotted of wool in Portugal with the needlepoint technique, this exquisite piece features 100 knots per inch with a 20mm-high pile.
