MIKADO 10-LIGHT CHANDELIER

\$2,720

DESCRIPTION

Evoking the shape of the sticks in a game of Mikado, this chandelier is a dynamic and modern creation that will be eye-catching and sophisticated in a modern interior. Its structure is crafted entirely of brass with a 120 cm long vertical support from which five narrow cylinders stem, creating ten different light sources. The maximum diameter of the piece is 105 cm and the angle of the various light elements can be repositioned at will. Please ask the concierge for details.
