MIL LARGE COFFEE TABLE BY BÜRO FAMOS

\$1,790

DESCRIPTION

This striking coffee table features a large round top that will give ample space to display everyday objects in a living room. This piece, particularly ideal to complement a contemporary decor, is highly customizable and its materials are of the highest quality. Both the crossing elements of its base and the top above are in durmast wood with a brushed white finish (also available in natural or black). The top can be in Carrara or Marquina marble, or in transparent or tinted glass.
