MILLEBOLLE SMALL AMBER VASE BY LUCA NICHETTO

\$980

DESCRIPTION

Refined and elegant, this vase captures the timeless essence of Venetian glass. Hand-blown by Salviati's master artisans, the warm amber glass is shaped into an elongated oval silhouette, characterized by the many large air bubbles embedded between layers of glass, made using the Venetian "bollinato" technique. Individually hand-blown, each piece boasts a unique bubble pattern that makes it completely one-of-a-kind. On a dynamic console, coffee table, or modern dining table, this piece will add a touch of elegance to any surface. Designed by Luca Nichetto.
