MILLERIGHE TWIN VASES NO.2

\$1,070

DESCRIPTION

A stunning addition to an elegant and minimalist decor, this set of two vases can also be displayed as standout accent at the entrance of a beach house or as sideboard decoration in a rustic home. The two vases are part of the Millerighe collection, which means "a thousand lines" in Italian, referring to the striking parallel grain of the beechwood that becomes the one-of-a-kind decorative pattern of these pieces. The wood was worked from an entire block and worked to become hollow and extremely thin, with a natural, untreated finish.
