MILORD ZD 1 DECORATIVE STICK

\$505

DESCRIPTION

Part of the Milord collection, this remarkable piece is entirely crafted of Venetian glass using the Venetian tradition of mouth-blowing glass that is renowned and appreciated worldwide. This versatile chalice-shaped piece has a flared base with a long cylindrical arm surmounted by a cup decorated in a checkered pattern. The Milord collection comprises decorative objects of minimalist design in various patterns that share the same timeless black, gray and white color combination. An eye-catching addition to an entryway, a mantel or a bookshelf, this piece can be displayed with others from the same collection for a striking effect.
