## MIMOSA 27-LIGHT COPPER CHANDELIER

\$12,810

### DESCRIPTION

Featured at Milan Design Week 2018, this stylish chandelier is part of a collection of lighting pieces designed by master artisan Alberto Donà entirely crafted of Murano. Arranged on a metal structure with a copper finish, 27 Murano glass orbs form a cluster of lights that evoke the shape of mimosa globular flowers. Designed to illuminate large spaces, this captivating piece offers artful allure to an entryway or a spacious dining area. The G9 led 2.5 Watts light bulbs are included.
