MINI SQUARED BERTONCINA HANDBAG

\$1,790

DESCRIPTION

This exquisite handbag, inspired by mid-century suitcases, features an ivory leather base with a natural parchment finish and polished black leather trims and handles. Inside, a black cotton lining highlights the exterior trims and the custom palladium hardware. The vintage silhouette and modern design details complement each other, making for a glamorous composition. The hand-painted skull and removable shoulder strap are edgy accents, transforming an old-fashion bag into a high-fashion accessory.
