MINI VANITY CASE

\$1,260

DESCRIPTION

A modern reinterpretation of a timeless classic, this striking vanity case is handcrafted of wood with calfskin upholstery. The exterior features two types of leather, one for the case and the other one for the reinforced borders, in matching tones. Inside, the lined interior features two removable trays with compartments. The metal elements are finished in gold-finished brass. Additional accessories such as luggage tag, padlock, keyring, and name tag, which can be engraved with initials, are also made with meticulous attention to detail.
