Marco Rubini

MINO GOLD VASE

\$380

DESCRIPTION

Part of the Mino collection (from the Italian word "omino"), this vase stylistically depicts the silhouette of a man, with his two legs supporting the structure and functioning also as two compartments to hold flowers. This striking piece was entirely made of ceramic with a stunning gold finish and will be a perfect addition to a contemporary interior, either alone or combined with the other pieces of the collection or other vases by the same designer.
