MIRROR VENETIAN GLASS CHANDELIER

\$15,640

DESCRIPTION

Effortlessly blending traditional design and contemporary allure, this chandelier combines centuries-old Venetian glass hand-manufacturing with a modern touch for a timeless chandelier that will make a statement in any decor. Hand-worked metal with a lacquered nickel polish and mouth-blown Venetian glass come together to form a structure that supports eight sinuous arms at the end of which sit E14 x 40W lights. This chandelier will enhance with grace and sophistication any entryway, living room, or dining room.
