## MISMARCHED TWO-TONED EARRINGS

\$230

### DESCRIPTION

Part of the Mismatched Collection and inspired by the Surrealist art movement, these earrings are true to their name and boast two different silhouettes with contrasting finishes. One is a simple rod supporting a sphere, while the other curves in a U-shape from which three circles freely hang. This unconventional look is crafted by hand of rhodium- and gold-plated brass and celebrates the striking power of originality. Bold and sophisticated, it will make a statement on any occasion.
