MISS BLACK AND WHITE CHAIR WITH ARMRESTS

\$1,885

DESCRIPTION

The perfect statement piece in a modern dining room, this chair's frame is made of steel padded with expanded polyurethane of variable densities around the seat and arms to deliver comfort in a striking style. Featuring removable covers for seat, back and armrests, the intriguing pattern features a free-flowing abstract design with sharp stripes and slightly blurry waves in black and white. The legs are upholstered in the same fabric that is non-removable. Available also in the matching armless version.
