MISS MARBLE JAR IN ARABESCATO MARBLE BY LORENZA BOZZOLI

\$430

DESCRIPTION

A playful and sophisticated take on the traditional jam jar, this container is crafted using traditional methods and noble materials to add an elegant accent to a kitchen or a living room. The body of the jar is made in opaque Arabescato marble, whose striking natural veins are an exquisite complement to the polished Marquina marble of the top and the brass latch. A one-of-a-kind piece that will make also a stunning gift, this piece can double as unique vase or centerpiece.
