Guido Niest

MISS MAXIME VASE

\$870

DESCRIPTION

This fabulous, elegantly shaped vase is entirely hand-made of a unique alloy covered with a dusting of antioxidant precious metals. It can be used to hold a single rose or a bunch of colorful tulips. It was designed in 1998 and is still part of the permanent Guido Niest Privé Collection, whose each piece is numbered and signed. Its sleek and smooth surface can be customized with engravings upon request.
