DESCRIPTION

The intense fragrance offered by this diffuser merges notes of incense, saffron, and patchouli among others that awaken the senses. Housed into a matte black glass bottle, the 100ml solution is non-toxic and non-flammable, its scents are efficiently delivered through thick reeds in natural fiber for a constant and consistent scent. A luxury cardboard box branding the Festina Lente Home logo and matching the design of the bottle completes the design. Vegan, phthalate-free, GMO-free, and cruelty-free.
