MISTRAL HIGH SIDEBOARD IN SYCAMORE FRISE

\$10,980

DESCRIPTION

Part of the Mistral collection, this elegant sideboard boasts the bold sophistication of Art Deco and the elegant hues of dark sycamore frise. This imposing piece rests on metal feet with a bronze satin finish and combines straight lines with sinuous curves for a sensual silhouette that evokes the timeless masterpieces by Baroque architect Francesco Borromini. A central geometric inlay adds a precious touch to this object of functional decor that will enrich a living room, dining room or study with refined allure.
