MIUCCIA TALL GLASS CARAFE

\$215

DESCRIPTION

Entirely crafted of hand-blown borosilicate glass, the Miuccia Collection was designed as a tribute to Milan, one of the world's fashion capitals, and to feminine creativity. Available in three different sizes, this carafe has an elongated, conical base with vertical ridges, that evoke the silhouette of a pleated skirt, and a smooth fluted mouth. A black band enhances the neck's narrow waist, creating an elegant contrast. A glamorous way to serve wine at the table, this carafe will be a captivating addition to any table setting.
