MODERN DECO 25 CARPET

\$4,620

DESCRIPTION

Part of the Modern Deco series, this carpet reinterprets in a contemporary way the traditional carpet. Suitable for a modern decor, but also to add a dramatic accent to a classically decorated room, this piece boasts a deep red coloration through which a delicate arabesque pattern emerges, enriching the surface of the piece. Entirely hand knotted, this piece is made of 80% wool and 20% silk for a soft texture.
